Handset Speakerphone

Nuisance Call Block

Reduce unwanted calls such as telemarketers

Nuisance Call Block*

You can block any specified number, as well as any head string of 2 to 8 digits matching your specified numbers or "no number is provided" calls.

*Requires subscription to Caller ID service offered by your provider/telephone company. No number calls cannot be blocked depending on the service of your provider/telephone company.

Do something else while talking

Speakerphone

You can talk with your hands free. It's convenient when you need to take notes, etc. Also everyone around you can join the conversation.

Use your handset as an alarm clock

Advanced Alarm

You can set the alarm to ring once, or daily or weekly. Convenient 5-minute snooze setting is also available.

Know who's calling at a glance*1

Caller ID*2

When an outside call is being received, the caller information is displayed. If the caller is registered in the phonebook, their name will be displayed.

*1 Requires registration in the phonebook to display the name.

*2 Requires subscription to Caller ID service offered by your provider/telephone company.

Other Features

- Shared Phonebook*
- Speed Dial (Handset)
- Redial Memory (Up to 10 phone numbers)
- Polyphonic Ringer Melody
- Key Lock
